 Hasnain Ahmed

## Summary

Motivated and dedicated software engineering student with a passion for web development. Committed to improving skills. Strong work ethic, good problem-solving skills, and committed to continuous improvement. Excited to contribute to the success of a dynamic and innovative web development team.

## EDUCATION

**Ranada Prasad Shaha**

**University**

BSC in Computer Science & Engineering (2019-2023)

Cgpa:3.5/4(expected)

**Govt. Tularam College(HSC)**

Gpa:5/5

**Haji Siraj Uddin Memorial**

**High School (SSC)**

Gpa:5/5

## LINKS

UVA online

judge:[https://onlinejudge.org/index.php?option=com\\_onlinejudge&Itemid=9](https://onlinejudge.org/index.php?option=com_onlinejudge&Itemid=9)

## COURSEWORK

### UNDERGRADUATE

Data Structure & Algorithms

Algorithm analysis

Object Oriented Programming

Operating Systems

Database Management System

Computer Networks

Neural Network/Machine Learning

Software Engineering

## SKILLS

### PROGRAMMING

Experienced:

C • C++ • JavaScript • Python • HTML

• CSS

Intermediate: java • php

Familiar: Django • React • MySQL

• PostgreSQL • JavaFx

Tools: Linux fedora • Git version

control • Vs Code

## PROJECTS

**React Todo app** - [Live site] - [Repo Link]

- React states were used where I played with different states in react.
- Different learned about different npm packages.

**React Countries Searching app** - [Live site] - [Repo Link]

- Learned to use public api's , used countries api in this project

**Movie database react** - [Live site] - [Repo Link]

- In This site user see info about movies
- They can find popular movies and rate movies.

**React Portfolio app** - [Live site]

- My Portfolio site
- Used React, styled component, typescript and other yarn packages

**sports Event organizer** | Major project (still under development)

- Defined requirements, and also made documentation of the project.
- Used Django frame work in the project, and worked on the project at the same time learning about Django.

## ACHIEVEMENTS

- Came 2nd in intra university coding contest (first in the mocks, in group competition had to do it alone)
- Ranked 1 in 1<sup>st</sup> semester
- Participated acm icpc contest multiple times and got certificates.
- Runner up in University Cricket tournament (man of the match twice)

## POSITIONS OF RESPONSIBILITY

- Worked as Leader in my group in the group project (sport manager app)
- Worked as a unit and played major role in organizing Cse fest in the university. It was an amazing experience, I enjoyed it a lot.
- Worked as a unit with students and organized iftar mahfil in the university for around 400 university students.

## Extra's

- Good communication skills and fluency in English and Bangla
- Adaptable to new things (technology or environment or others)
- Good team player and hardworking
- Love to discuss ideas and I am pretty versatile. BY the way am a hard-core sports guy. I love football and badminton also into games
